

Hi there! My name is Riopurba. And I want to say thank you for downloading my font **LINEE REGULAR DEMO**.

LINEE Font will be perfect for many different projects such as logos & branding, invitation, poster, flyer, wedding designs, social media posts, advertisements, product packaging, product designs, label, photography, watermark, special events or movie poster title.

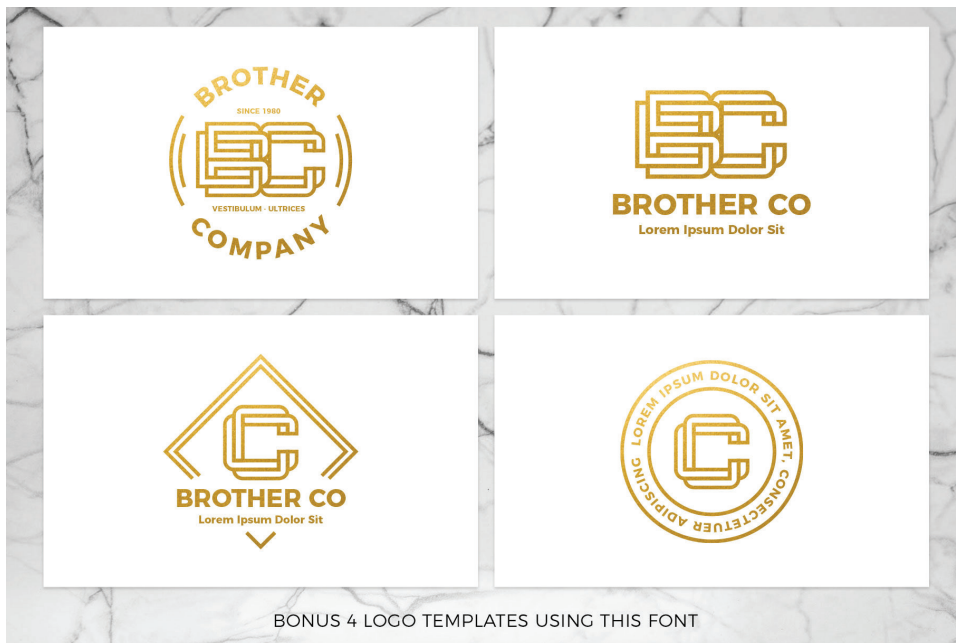

Did you know that LINEE has two font styles. The first one is Linee Regular and the second one is Linee Solid. And in this DEMO version you only get Line Regular with limited glyph. **This demo version comes with personal use license**. It means you cannot use it for your commercial projects. And **DO NOT re-sell or re-distribute this font without any written permission from Riopurba as the creator**.

However if you need the complete version and commercial license, you can purchase the LINEE font from my Creative Market shop here :
